

Group Discussion Questions

1. What is your favorite passage or idea from scripture or a Church document, about people with disability.
2. David described some points that he gleaned from the scripture and Church documents on the vision for ministry with people with disabilities. As you have reflected and made this vision your own, what are some of the key elements included in your lived reality of catechetical ministry with children and youth with disability?
3. Respond to the following, "What changes can I make to strengthen my program?"
4. What have you found to be your best resources?
5. What resources do you need from the:

Parish level--

Diocesan level--

NCPD--
