Parish Accessibility Survey

In 1978 the U.S. Catholic Bishops declared in their Pastoral Statement on People with Disabilities: *It is essential that all forms of the liturgy be completely accessible to people with disabilities...To exclude members of the parish from these celebrations of the life of the Church, even by passive omission, is to deny the reality of that community.*

To assess how well our parish is following the Bishops' mandate to *do all in our power to...reach out to welcome people with disabilities who seek to participate in the ecclesial community*, please take a few moments to complete this survey of facilities and ministries.
