

April is Autism Awareness Month in Parishes
Petitions for use during the
Prayers of the Faithful

(include one petition per week during April Masses)

That families that include members with autism and other disabilities will find a welcoming home in the Catholic Church, let us pray to the Lord.

For parishes to find the resources they need to reach out to all their members, especially those with autism and other disabilities, new parents, older parishioners, busy families, and veterans and their families, let us pray to the Lord.

For our parish family, that our community will model the welcoming and inclusive ministry of Jesus, seeking always to see the image of God in every person.

That growth in understanding of autism and other disabilities will lead to relationships of support and increase a sense of belonging for those who live with disabilities and their families.

That families and all who live with autism and other disabilities find their faith to be a source of strength, community, and hope.
